R20-89

Stacey Simon, County Counsel:

- Reviewed item and resolution
- When someone other than the Board declares a state of emergency, there are seven days in which the Board must act to either determine that the conditions of emergency have passed and let the declaration lapse, or adopt a resolution ratifying and continuing the declaration.
- Proclamation to be renewed every 60 days, Board can terminate sooner if necessary

Ingrid Braun, Mono County Sheriff:

- Creek Fire Update
- Declaring a state of local emergency is a necessary step to get added to the State's order that already includes the other three counties
- Should the fire push into Mono County, this would make it easier to request Federal and State assistance to fight the fire and recover economically
- Recommendation is until the fire is fully contained, Mono County should stay in a state of local emergency and be added to the State's proclamation
